- [X] AUTHORIZATION TO PAY AND PETITION FOR THE ACCEPTANCE OF ANY NECESSARY FEES: If any charges or fees must be paid in connection with the following Communication (including but not limited to the payment of issue fees), they may be paid out of our deposit account No. 50-1965. If this payment also requires a Petition, please construe this authorization to pay as the necessary Petition which is required to accompany the payment.

Dear Sir:

This communication responds to the Office Action of January 27, 2005 notifying applicant of the non-responsive amendment ("the Notice"). In the Notice, the Amendment to the claims ("the Amendment") filed on 16 August 2004 is considered to be non-compliant as the preamble of claim 2 seemed to have changed from its version of 28 October 2003 but there was no indication of what had been changed. The preamble of claim 2 has been re-submitted as it appeared in applicant's 28 October 2003 amendment, and the remainder of claim 2 now appears as presented in applicant's 16 August 2004 Amendment. The remaining claims also are re-submitted as presented in applicant's 16 August 2004 amendment.

**Amendments to the Claims** are reflected in the listing of claims which begins on page 2 of this paper.

**Remarks** begin on page 6 of this paper.
